CASE NO. 21-cr-599 (RBW)

EXHIBIT 902

STIPULATION

The United States and Defendants Donnie Duane Wren and Thomas Harlen Smith agree and stipulate to the following:

The United States Capitol Police (USCP) operate and maintain closed-circuit video monitoring and recording equipment that captures locations inside and outside of the U.S. Capitol building and on the Capitol grounds. The video equipment timestamps each recording with the date and time at which the footage is captured. The USCP-controlled video equipment was in good working order on January 6, 2021, and video footage recovered from the cameras and equipment for the day of January 6, 2021 is footage of January 6, 2021. The events depicted in the video footage are a fair and accurate depiction of the events at the U.S. Capitol on January 6, 2021. Where the timestamps are visible on the recordings, they are accurate.

The video footage was not altered or edited in any way. The video footage is authentic in that it is what it purports to be.
